Carpenters Residential Projects

An opportunity to join a motivated team of highly skilled carpenters as a contractor

We're on the hunt for carpenters who know their stuff and enjoy being part of an established team of like-minded tradesmen.

We are looking for good reliable BCITO or ITABS qualified builders who want to work for a company that is making a difference at the same time as building great houses. We need to add to our motivated team with tradespeople who share our passion and drive to produce a consistently high standard of work while having fun along the way.

Murray Long Builders Ltd is an established Residential Building company. We are involved in the construction of New Architectural Homes, Residential Renovations and Alterations. As a member of the Certified Builders Association, high quality craftsmanship and a focus on customer satisfaction are valued in the company along with effective learning and development opportunities for our team.

This is a contract position paid weekly. Hourly rate is determined by level of competency. If you think you are the right person to complement our team, please contact us

Send through your CV if you want to get on board.
